AMG-9 Action Items

- 1. (Lunceford) Provide update on middleware task group at AMG-10.
- 2. (Ponikvar) Send netnote request to AMG for input to Priscilla Glasow (pglasow@msis.dmsomil) on programs to participate in VV&A Assessment Team (by 26 Feb 96).
- 3a. (AMGTech) Provide input to Don Ponikvar (ponikvar@msis.dmsomil) on HLA-related papers to be presented at March DIS Workshop (by 14 Feb 96).
- 3b. (DMSO, Ponikvar) Provide information back to AMGTech on consolidated list of HLA papers to be presented at DIS meetings, indicating sessions where papers will be presented.
- 3c. (TST Core) Prepare a set of basic slides showing the relationship between DIS and HLA for use during the DIS Workshop.
- 3d. (TST Core, Protofeds, Hofer) Investigate the possibility of proto-federation briefings at the DIS Workshop.
- 4. (AMGTech) Provide input to DMSO (Ponikvar, Dahmann) on recommended revisions of HLA Annotated Briefing.
- 5. (DMSO, Matthews) Provide AMGTech with general info on ERTWG and info on next meeting when HLA and further interoperability will be addressed (as soon as meeting is scheduled).

AMG-9 Issues (cont)

6. **(DMSO, Ponikvar) Investigate "change request" capability on the HLA (and DMSO) home page items, to alert viewers when items are changed.**
7. **(DMSO) Provide updates to cost/benefit discussions to AMG-10 and on home page for comment from AMGTech.**
8. **(Fujimoto) In next version of time management paper, explicitly discuss the provision for user-specified time tags for user required time coordination.**
9. **(RTI Team) Provide annotated version of API designating what interfaces are supported by each RTI version (I/F...API v0.3 --> RTI v0.2; I/F...API v0.4 --> RTI v0.3).**
10. **(DMSO, RTI Team) RTI ports to HP, IBM required NLT 29 Feb 96.**
11. **(DMSO RTI Support Team) Make RTI Problem Report forms available, provide report feedback via RTI user reflector (rti_user@dss.ll.mit.edu).**
12. **(DMSO, RTI Team) Develop RTI v0.2 release strategy.**
13. **(DMSO, AMG) Revise rules, update at AMG-10, circulate to AMG for comment.**

AMG-9 Issues (cont)

- 14. (DMSO, Ponikvar) Update HLA Management Plan for presentation at AMG-10.**
- 15. (DMSO, Debraux) Distribute financial reporting guidance to AMG members ASAP.**
- 16. (DMSO, Ponikvar) Place a copy of the DMSO briefing to the JROC on the Web site.**
- 17. (AMG) Submit nominees to study security actions with TIS to DMSO (Ponikvar). Need feedback whether federates are comfortable with guards performing sanitization function, or do federates retain that function.**
- 18. (Loper) Add column to state diagram tables referencing I/F Spec paragraph(s).**
- 19. (DMSO, Ponikvar) Obtain copy of Engineering Federation's Interface Control Document (ICD), distribute to AMG members.**
